

Weebly PD and Play Time

Sauganash Elementary School
June 11 - 12, 2013

All workshop materials can be found at
fredkoch.weebly.com/weebly.html

Why Create a Website?

- Advocacy tool
- Showcase student work / progress
 - Portal for parent communication
- Platform for student writing
 - Going paperless
 - **It is expected**

Our Goals are Simple

- Find out "what's new" with Weebly
- Focus on the purpose of your website
 - Work on your design and content
 - Ask questions, help each other
 - **Flex your creative muscle**

But First

Let's think a little about "Design Principles"

1. *Typography for All: Text for High-Impact Messages*
2. "Design Matters"
3. "Why Visuals Matter"
4. "Why Negative Space is Positive"
